

COLOURS TO MATCH

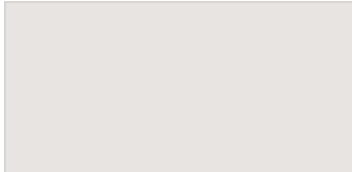

Pale blue
#94BEE4
Back dot + chest dot

Signal orange
#EF8953
Chest + sleeve stripes

Ink black
#272729
Patch ring, 1420 MHz,
RARE EARTH

Patch white
#E7E4E2
Patch field (jacket body ≈
#EBE7E3)

Laser toner shifts colour, especially pale blue. Use the printed chips as a rough guide and the hex codes on your phone screen as the target. Match under daylight or the store's whitest light, and hold candidates against the jacket itself.

BUY (COVERS BOTH JACKETS)

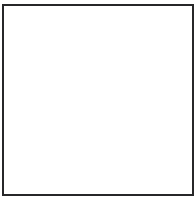

ITEM	QTY
☐ Orange ribbon, 2 in wide 4 stripes per jacket: one across each front panel, one around each upper arm. Includes ~15% for turn-unders, plus spare.	4 yd
☐ or orange fabric, 44 in wide Cut 3 in strips (½ in turn-under each side).	½ yd
☐ Pale blue twill, ideally poly-cotton like the jacket (65/35) Two 7¾ in back dots + two 2 in chest dots. Minimum is ¼ yd; the extra covers a spare back dot and a test swatch.	½ yd
☐ Fusible web (paper-backed, e.g. HeatnBond Lite) If you fuse the dots instead of turning edges under.	½ yd × 17 in
☐ Thread to match: pale blue, orange, white	1 spool each
☐ Black heat-transfer vinyl (matte) RARE EARTH line is 7½ in long; the patch is 4 in. One 12 × 12 in sheet covers both jackets with retries.	1 sheet
☐ White twill or canvas for the 4 in sleeve patches Unless you order embroidered patches from the artwork files.	¼ yd

FINISHED SIZES (SAME ON M AND XL)

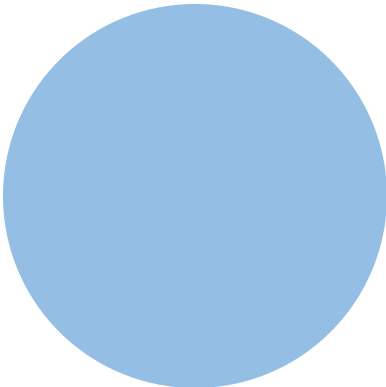

Back dot	7¾ in · 19.7 cm
RARE EARTH Archivo, weight 720, width 112, spaced caps	⅝–¾ in caps · 7½ in line
Gap, dot to lettering	1 in
Chest dot wearer's left; centre 3⅝ in from zip	2 in · 5.1 cm
Sleeve patch left upper arm; centre 4¾ in below shoulder seam	4 in · ¼ in ring
Stripe width	2 in · 5.1 cm
Back dot top, below collar seam	M 2⅞ in · XL 2½ in

Before you go: measure around each jacket's upper arm. The ribbon estimate assumes about 15 in (M) and 17 in (XL).
